

Cookie Notice

Norfolk Bladers (Norfolk Gaming Events Limited)

What Are Cookies?

Cookies are small text files stored on your device when you visit a website. They help the website function correctly and can collect anonymous information about how visitors use the site.

How We Use Cookies

We use cookies to:

- Ensure the website works properly
- Keep site visitors secure
- Understand how visitors use our website
- Improve performance and user experience

Some cookies require your consent (e.g., analytics or marketing cookies); others are essential. You can manage your cookie preferences through the cookie consent banner.

Wix Cookies We Use

The following cookies may be placed on your browser when you visit a website built using Wix:

Cookie Name	Purpose	Duration	Cookie Type
XSRF-TOKEN	Cookie for fraud detection of calls	Session	Essential
hs	Security cookie for Hive (legacy)	Session	Essential
svSession	Security, stability, and core site function	12 months	Essential

TS*	Cookies for attack detection	Session	Essential
bSession	Used for system effectiveness measurement	24 hours	Essential
fedops.logger.sessionId	Tracks session errors and issues	12 months	Essential
_wixAB3	Cookie for site experiments	6 months	Essential
server-session-bind	API protection	Session	Essential
client-session-bind	API protection	Session	Essential
oAuthState	Session cookie for identification	Session	Essential
wixSession	Security, stability, core function	12 months	Essential
sec-fetch-unsupported	Indicates browser limitations for security features	Session	Essential

Square Cookies (Payments & Checkout)

We use Square to process payments and manage event bookings. Square may set cookies on your device to ensure secure payment processing, prevent fraud, and improve their services.

These cookies are typically essential for transactions and security.

Cookie Name	Purpose	Duration	Cookie Type
square*	Used for fraud detection and security	Varies (session/persistent)	Essential
square_device_id	Identifies device for security and risk prevention	Persistent	Essential
sq_csrf_token	Protects against cross-site request forgery	Session	Essential
sq_session	Maintains secure payment session	Session	Essential
_gid, _ga (if enabled by Square)	Analytics on checkout performance	Up to 2 years	Analytics

Square may also use additional cookies depending on the services used (e.g. online checkout, embedded payment forms).

For more information, see Square's Cookie Policy:

<https://squareup.com/gb/en/legal/general/cookie>

Consent & Managing Cookies

When visitors first access our website, a cookie banner will ask for consent to use non-essential cookies. You may accept or decline cookies, and you can change your preferences in your browser settings at any time.

Blocking some cookies may affect how the website functions, particularly payment and booking features.
